

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

We received the following report of the activities of the Texas House this past weekend for Frank W. Calhoun, representative for this district.

As the Texas Legislature moves into the final, hectic weeks of the regular session, the tempo in Austin is increasing daily. The controversial matters that have been thrashed around in committees for several months are making their way to the floor of the House of Representatives for debate and final action.

With a promise of a Special Session in 1968, Governor Connally nullified most, if not all, of the tax measures now pending. The Governor's proposal makes good business sense; very few businesses would try to operate on a biennial budget of nearly \$5 billion. It is estimated that the State can save \$50 million by appropriating funds for one year only and then convening in 1968 to take care of the 1968-69 fiscal year. In view of the huge surpluses that have been common in past bienniums, the House of Representatives is receptive to the Governor's proposal. Whether the people approve the Constitutional amendment in November, 1968, or not, Texas will have annual sessions of the Legislature.

We successfully passed part of the traffic safety program last week when the House approved H. B. 568 which provides for licensing of Commercial Driver Training Schools and supervision by the Department of Public Safety. We were carrying this bill as part of the Governor's proposals on traffic safety. In addition to several other bills making their way out of committee, we are serving as Chairman of different sub-committees considering the use and possession of dangerous drugs, the granting of probation in felony and misdemeanor cases, assault on a police officer, the taking of blood samples from bodies in connection with motor vehicle accidents, prohibiting certain fraudulent acts concerning motor vehicle certificates of title, regulation and control of obscenity and obscene materials, and county land use through zoning and building permits.

With the May 29th adjournment date looming on the horizon and with a great amount of work still to be done, the rush is on.

We are sure that Frank would be glad to hear from anyone in his district concerning any matter before the legislature.

James C. Holden, who lives near Boyd's Chapel, was in the office the other day trying to find some way to solve the problem of vandalism to his home. It seems that the Holdens have had their home used for parties by what would appear to be teenagers or the past seven years.

The Holdens have been on the road for much of these seven years as they have been giving programs to high schools in the mid-west on Latin America. It has been during their absences that their home has been wrecked and most of their valuables stolen or destroyed.

Mr. Holden said that he and his wife have returned home now and are intending to put a stop to this vandalism even if he is forced to take drastic action.

Since many of the items that have been taken from the Holdens are things that they have picked up in South America and are different enough that they would be easily recognized they are hoping that someone has seen them and can give them a lead on who has been wrecking their home.

Mr. Holden does not know where the youths are coming from but feels that they must be from one of the communities around Boyd's Chapel. We can only hope that they have not been from Hamlin but if they have we hope that they will realize the consequences of destroying other people's property.

This matter of vandalism and just plain destruction of property is becoming more of a problem all over the nation and of course is a real problem out in the unprotected rural areas.

I don't guess anyone has ever figured out why some people just delight in destroying something that belongs to someone else.

The load of 135 bushels weighed out 60 pounds to the bushel and graded 15 per cent moisture.

Local Scouts, Cubs Plan Annual Fair Here May 20

The Annual Hamlin Cub Scout and Boy Scouts Fair will be held at the Community Center Building and grounds Saturday, May 20. The show is a little different than in previous years and will feature games operated by the Cubs and other activities and displays arranged by the members of the Scout troop.

The show will last three hours, from 2 to 5 p.m. Admission to the show is free and all are invited; "All the kids will enjoy it" says Buddy Bryson, Cubmaster of Pack 43, "and parents will also enjoy seeing the Scout displays."

Tickets are now being sold by Cubs and Scouts to be used at the show to play some

of the games and to purchase refreshments. The use of tickets instead of change will enable the Cubs to operate their booths without having to make change. Tickets will also be on sale at the fair for those who run short and need another dime or quarter for a cold drink or bag of popcorn.

The show is being put on by the troop and the cub pack, with both units sharing the profit from the event.

In addition to prizes to all boys who sell a minimum number of tickets, fifteen prizes will be awarded to the number of boys who sell the largest number of tickets. Top ticket seller in the Cubs will receive a gift certificate redeemable for a boy Scout

uniform when he becomes scout age. Top prize for Boy Scouts will be an expense paid trip to summer camp with his scout troop this year.

"Every one will enjoy the show this year" stated Scoutmaster John Holtz. With the games and fun and displays we will have we hope everyone gets a chance to drop by on the 20."

All Cubs and Scouts will be able to get their tickets at a meeting of their group this week.

Foursquare Gospel Church Building Dedication Service Planned Sunday

A dedication service at Foursquare Gospel Church marking the completion of extensive remodeling to the building will be held Sunday, at 2:30 p.m. The church address is 113 S. W. Ave. D.

The pastors, are Rev. and Mrs. Weldon Counts. Speaker for the service will be Dr. Howard P. Courtney, vice president and general supervisor of International Church of the Foursquare Gospel. A minister since 1932, he is now a faculty member at LIFE Bible College and producer of Foursquare Gospel Hour on KRKD, Los Angeles, Mondays at 8 p.m.

Others who will be present for the special observance in-

clude Dr. and Mrs. J. Craig Bigg of Dallas, South Central District supervisor, and Rev. and Mrs. Floyd Bailey Sr. of Knox City, divisional superintendent.

Dr. Courtney and Dr. Bigg will attend the morning worship service and be guests for the dinner at noon to be held in the new fellowship hall.

Following the dedication service at 2:30 refreshments will be served. The pastors and the congregation extend an invitation to everyone to attend any or all of these services.

The local church was initiated in 1940 when Rev. Jack Watkins came to Hamlin and secured a place for hav-

ing services. Rev. Asbell was called for revival services and she remained four weeks.

A house was then purchased and remodeled and Rev. and Mrs. Watkins continued as pastors.

In 1943 the church was chartered with 30 members. In 1949, during the ministry of Rev. Alice Herrall, another building was built to replace the first church.

Last year the building, under the direction of Rev. and Mrs. Counts, was completely remodeled.

The church now has 117 members.

Former pastors expected to be here Sunday are Rev. and Mrs. Carl Pool of Weinert.

Seniors Leave for Colorado Springs, Denver Tuesday

Tommy Oliver
Beth Craig
Helen Moore

The seniors left Tuesday morning for the annual senior trip. They are touring the Denver and Colorado Springs area. Mr. and Mrs. W. T. Johnson, Mrs. L. C. Bonds, Mr. and Mrs. Floyd Clifton, Milburn Wink, O. R. Criswell, and Miss Dora Mitchell went with the students.

Included in the itinerary are the Colorado State Prison, Cave of Winds, Garden of Gods, Seven Falls, Air Force Academy, and the Royal Gorge.

Students will also see the Grand Prix movie in Denver. With school drawing to an end many of the students are already finding summer jobs.

It seems everyone is counting the days to the end of school, the seniors will scatter to the four winds as they leave home to go to college and the other students will busy themselves preparing to go to college as each succeeding year passes. I am sure the majority of our seniors will set examples our town will be proud of.

Congratulations to Jim Bonds and Milton Davis for their good showing at State contests. Jim came in second in 330 intermediate hurdles and Milton placed fifth in discus.

The teachers view the arrival of annuals as a major nuisance each year. Most students exchange annuals

for other's signatures during class, which the teachers do not quite approve of.

SUPER MARKET

Lovely morning and no reason to complain, we had .53 in. of rain. We were glad to get it.

Mrs. Luke McCollom is still bad at this writing on Monday morning. She is in Sweetwater Simmons Memorial Hospital.

I talked to Mrs. E. M. McCright on Saturday morning and she told me her husband had been taken out of intensive care at Hendricks in Abilene and placed in room 315. They hoped he would then be able to have X-Rays made to determine the cause of the hemorrhaging. We hope every thing will be fine and the tests will soon be completed.

Mr. and Mrs. W. B. Brown drove to Levelland on Friday night and visited with their daughter, Wilda Deel, and family. Saturday they drove to Lubbock and visited their son, Billy and family. They report every one doing fine.

Mrs. M. E. Tanner of Abilene spent the weekend in the Kenneth Leverett home.

Mr. and Mrs. James Harvey drove to Santa Anna to visit with his mother and also his sister who is ill.

Mrs. Thomas Ray Kiser of Hamlin spent Sunday with the Cecil Kisers and attended the Baptist Church.

Members of the Baptist Church enjoyed Fellowship after church Sunday night, and our thanks to our Training Union Director who planned all of it.

My the explosion did give us all a jolt but just thankful that more weren't hurt. We do hope those injured will improve very soon. Mrs. Bob Jones and Mrs. Byrum were lucky as only one window was blown out in aunt Maud's house and aunt Mary had two doors jammed, so for that we are grateful.

Mr. and Mrs. Med Herron were called to be with his mother in Merkel Sunday as

Several members of the Hamlin FFA Chapter will attend a meeting of the Stamford FFA District this afternoon, (Thursday) at Aspermont High School. District award winners and officers for the 1967-68 school year will be selected at the meeting.

Gil Lain, president-elect of the Hamlin Chapter, will be Hamlin's candidate for a district office. He is also Hamlin's candidate for Star Chapter Farmer of the district. He is hoping to continue his district record for this honor as he was the Star Green Hand of the district last year.

The Vacation Bible School will be May 22 thru May 26 with Preparation Day on May 20. We want all the youngsters in the community to attend. There will be something for all ages.

FROM THE EAGLE'S BEAK...

Lana Acklin Charlotte Griffin Friday the seventh and eighth grades are leaving on their school trip to San Antonio. We hope they have a nice time.

The McCaulley High School Baccalaureate will be held Sunday, May 14, at 8 p.m. in the McCaulley Baptist Church. Friday evening the Future Homemakers of America had

a banquet honoring their "Best Beau." The speaker was Rev. Buddy Sipes. The music was furnished by club members. Bobby Smith was presented as "Best Beau." The homemakers were assisted by Mrs. McCright, and Mrs. Dowell. The junior high school girls dressed in white wearing red aprons served. Roses were used with the color scheme of red and

white. Jeanne Anne Acklin was toast mistress. We would like to congratulate Jackie Carter. He had his 19th birthday Monday. This is some of the latest gossip that is going around McCaulley. Why was Sammy's pants wet Saturday evening???? Deb and Bill are always running out of gas.

Chevrolet's room, ride and price. When *Automotive News* made its annual roominess study, Chevrolet got the most points. It's roomier inside, they reported, than any other American car. The ride is Full Coil suspension smooth. And Chevrolet hardtops and convertibles are still the lowest priced full-size cars of this kind you can buy. **Chevelle's quick size.** It's quick to climb, quick to turn. Other mid-size cars might be like Chevelle, true. But they're not as low priced. And they're not made by Chevrolet with Body by Fisher, GM-developed energy-absorbing steering column, inner fenders and Full Coil suspension. **Camaro's road-hugging stance.** At its price, Camaro is the only sportster to give you wide-stance design. It rides steadier, clings to curves better,

hugs the road closer. It's the roomiest car you can buy. Plus, you get a bigger standard engine.

HAMLIN'S LEADING DEPARTMENT STORE

by Mrs. Elmer Joiner
Time goes by and sometimes you learn almost nothing, so it is hard to write when you are in that state. Just a few lines to keep my promise to write something each week.
Did get to find out last week what rain looked like, saw about 3 1/2 inches in all. It looked just like it always did. Even though it was fall-

ling in the wrong place for us, we tried not to be selfish for folks here were so grateful for it. Made everything perk up, flowers blooming, grass growing. Now the grass will have to be mowed again.
Even though we are a long way from home we had company twice last week. Tuesday, a brother and sister, Sonny Joiner and Lorena Kee came over from San Antonio.

Saturday afternoon Woodrow Goodwin and Winson Gray drove down for a flying visit.
Mrs. Kee is visiting with her daughter, Mrs. Delbert Martindale and family, for ten days before returning home to Lubbock next weekend. The Martindales will leave Beeville for the state of Washington, May 25, for a naval base there. This makes their second three years spent in Beeville, having gone to Virginia three years in between.
Mrs. Henry writes that to-

day is their annual family reunion at Seymour, being another good chance for rain.
If all goes well we hope to be home before next Sunday, so will see you then.
Den 11 Cubs Tour Herald Plant
A tour of the Hamlin Herald was made Friday by Den 11. The boys were shown through the plant by Mrs. Earnie Reusch. They each received their name on a slug from the Linotype machine.

The Cub Scouts were David Moore, Rickey Bond, Steve Hastings, David Lee Gibson, Connie McIlwain, and Danny Brown. They were accompanied by the den mothers, Mrs. Ester Hastings and Mrs. James Brown, and guests, Debra Brown and Ester Hastings.
Brother-In-Law Dies
John Hughes of Tacoma, Wash., was killed in a fire that gutted his home Tuesday morning. His wife, the former Marion Gilbert, is a sister of

Mrs. Benson. Payne, She graduated from High School here.
Services will be held in Tacoma Friday at 1 p.m. Other survivors include a son, Sean, 6.
VA Classes Clean Paint Auditorium Dressing Rooms
Students of the second year vocational agriculture have spent parts of the past two weeks painting the dressing rooms in the auditorium.

Each of the three classes of V. A. 11 was responsible for the cleaning and painting of a dressing room.
The painting job was a follow-up of a unit studied on painting. Milburn Wink supervised the job.

THE STATE OF TEXAS
COUNTY OF JONES
TO THE LEGAL QUALI-
FIED VOTERS OF THE
HAMLIN INDEPENDENT
SCHOOL DISTRICT:

Take notice that an elec-
tion will be held within the
Hamlin Independent School
District on the 20th day of
May, A. D. 1967, at the place
and on the proposition more
fully set forth in the order of
the County Judge of Jones
County, Texas, substantially
as follows:

"On this, the 14th day of
April, A. D. 1967, there was
presented to me a petition by
Eddie Jay and thirty-one (31)
other legally qualified voters
of Hamlin Independent
School District, which peti-
tion prayed for a consoli-
dation of districts herein-
after mentioned and the
issuance of an order for an
election for that purpose.

I find that the petition
was signed by Thirty-two
(32) legally qualified voters
of Hamlin Independent
School District.

I further find that Hamlin
Independent School District
is situated partially in Jones
County, partially in Fisher
County, and partially in
Stonewall County, that the
principal portion of this dis-
trict is located in Jones
County and that Jones
County has jurisdiction over
the principal schools of
Hamlin Independent School

District.

I further find that this
petition is in compliance with
Article 2806 of the Revised
Civil Statutes of Texas and
with the law, and should be
granted herein.

I have been advised that a
petition for election on the
same proposition has been
presented to the County
Judge of Fisher County on
behalf of McCaulley In-
dependent School District,
and that the Judge is issuing
an order for such election to
be held on the 20th day of
May, A. D. 1967.

IT IS THEREFORE OR-
DERED

1. That an election shall be
held in Hamlin Independent
School District on the 20th
day of May, A. D. 1967, at
which there shall be sub-
mitted to the legally quali-
fied voters of such district the
following proposition:

"Shall the Hamlin In-
dependent School District in
Jones, Fisher and Stonewall
Counties, Texas, and the
McCaulley Independent
School District in Fisher
and Jones Counties, Texas,
be consolidated for school
purposes and be known as
Hamlin Independent School
District?"

11. The place for holding the
election for Hamlin In-
dependent School District shall
be the Hamlin High School,
and the following officers are
hereby appointed to hold the
election in the Hamlin In-
dependent School District:
A. B. Carlton, presiding
Judge; Gertrude League,
Assistant Judge; Frankie
Cassie, Clerk; and Jane
Murphree, Absentee Voting
Clerk.

111. All legally qualified voters
of such district may vote in
said district.

The form of the ballots for
said election shall be as fol-
lows:

"OFFICIAL BALLOT"

FOR CONSOLIDATION
OF HAMLIN INDEPEN-
DENT SCHOOL DISTRICT
IN JONES, FISHER AND
STONEWALL COUNTIES,
TEXAS, AND THE Mc-
CAULLEY INDEPENDENT
SCHOOL DISTRICT IN
FISHER AND JONES
COUNTIES, TEXAS.

AGAINST CONSOLI-
DATION OF HAMLIN
INDEPENDENT SCHOOL
DISTRICT IN JONES,
FISHER AND STONE-
WALL COUNTIES, TEXAS,
AND THE McCAULLEY
INDEPENDENT SCHOOL
DISTRICT IN FISHER
AND JONES COUNTIES,
TEXAS.

Each voter shall draw a
line through one of the above
expressions, thus leaving the
other to indicate the vote.

Notice of said election
shall be given by advertising
this notice in the Hamlin
Herald, a newspaper in
Hamlin, Jones County, Texas,
for a period of twenty (20)
days prior to the said election
and by posting a copy of this
notice in three (3) public
places in this district.

Cotton Farmers to Vote Transfer of Allotments

Cotton farmers in Jones County will vote the middle of May to decide whether they want to be able to sell or lease their cotton allotments outside the county. A. D. Hill, Chairman, Agricultural Stabilization and Conservation County Committee, has announced. The referendum on the question will be conducted during the period May 15 through May 19. Ballots may be returned by mail or delivered by hand to the ASCS county office during that time.

The only question to be decided by the balloting is whether upland cotton allotments may be transferred during the next 2 years to farms which are owned or controlled by someone else and located in other counties. Such transfers may be made by sale or by lease. In no case may transfers be made outside the state. An

affirmative vote by at least two-thirds of the county's cotton farmers who vote will permit such transfers during the next two years, 1968 and 1969.

Two similar referendums were conducted in 1965 and 1966 throughout the Cotton Belt, and growers in 412 counties have already approved the allotment transfers. The vote this May will be held only in counties where such transfers have not previously been approved.

The Chairman points out that voting by mail is easy and convenient, and the vote therefore should be large and full representative of the wishes of cotton farmers in the county.

Copies of the ballot are being sent to all cotton producers of record in the county together with information describing the program's purpose and operation. Any cotton producer who has a question about the referendum or about who is eligible to vote is urged to get in touch with the ASCS county office.

Fund Started For Fairview Church Site Marker

Funds for the erection of a marker on the former site of the Fairview Baptist Church have started coming in to a committee made up of former church members.

The church building was

given to the First Baptist Church of Hamlin when most of the residents of the community moved away. The building is now being used for the Mexican Mission in the northeast part of Hamlin on the Stamford Highway.

The committee is composed of Johnie Agnew, H. L. Ford and Elbert Fomby. The

size and cost of the marker will depend solely on the contributions of interested persons, Agnew said.

After the marker is erected a dedication service to the memory of the well known church and its founders and early members will be held. Agnew stated.

Texas petroleum industry's 1965 tax payments of STATE government were \$234 million.
